Continuation of Substance of Interview including description of the general nature of what was discussed: The Applicant was advised that due to the subject matter in the specification, that claims 13-18 would be subject to a 101 rejection as the claims are non-statutory in certain embodiments. The Examiner proposed an amendment to the specification to provide different embodiments of a computer-readable medium, and amendments to the claims which would claim only the statutory computer-readable storage medium embodiment. The Applicant agreed to the proposed amendment.
